

LETTER TO FATHER JORDAN

Father Jordan would like you to seriously consider why you wish to be Confirmed.

Therefore, he would like you to write a letter by hand (very neatly) addressed to him that answers the following questions.

1. If a friend, who is not Catholic, comes up to you and asks “What is Confirmation?” what would you say to him/her?
2. If this same friend asks, “Why are you being Confirmed?”, what would you tell him/her?

This letter should be addressed to Father Jordan and follow the rules for good letter writing.
