Grand Knight Report

March marks the start of a busy period. Third quarter service programs are due soon and along with the previous quarters will form the basis for any program awards the council will receive for the fraternal year.

Lent begins on Wednesday, March 5th. This is always a period for spiritual renewal and rededication as we strive to be better Christians and Catholics.

We had the privilege to host the Immaculate Conception icon for a week in the parish. The turnout at the prayer service was low, but parishioners and worshipers had the opportunity to spend time in prayer throughout the week.

The convention main hotel is full. Convention registration is due by Tuesday, April 1st to avoid a late fee. Please continue to check the State News page for updates on this notes edition.

We continue to work on getting new members who will contribute to the growth and activity in the council and parish. Please spread the word about the good work we do as Knights of Columbus and encourage eligible and willing men to join us.

Upcoming Events:

Annual Shrove Tuesday Pancake Dinner on Tuesday, March 4th.

As always, God Bless you and your family. Vivat Jesus.

District Deputy Report Charles "Pat" Springmann, PGK, PFN

Founders Day Mass and Reception is Sunday, March 23rd at Sacred Heart Council. Grand Knights attending the convention need to confirm participation in the Grand Knight Olympics.

Knights of Columbus Sets Insurance Record for 13th Consecutive Year

Growth of 89 percent over a decade for top-rated insurer

The Knights of Columbus recorded its 13th consecutive year of growth in insurance sales with nearly \$8.2 billion in new life insurance sold. The record sales are part of the organization’s impressive 89 percent growth in business since 2003.

The Knights logged \$72 billion in new insurance over the last 10 years, making for an annual growth rate in new policies of 4.6 percent despite recession and slow economic recovery during the second half of that period. With nearly 93,000 new contracts issued in all lines of business in 2013, the K of C now has nearly 2 million contracts in force.

“In 132 years of operation, the Knights of Columbus has helped meet the spiritual and financial needs of Catholic families while also serving the community through charitable works,” said Supreme Knight Carl Anderson. “We are pleased to have had great success on both of these fronts, which comes from our continued commitment to our founding mission of serving our neighbor consistent with Catholic social teaching.”

Supreme Knight Anderson explained that record-breaking insurance results mean that the K of C has “helped its members to protect their families while simultaneously enabling the Knights to support those most in need and the many works of the Catholic Church.”

The Knights enjoys a stalwart reputation for financial security, has one of the lowest lapse rates in the industry and offers a product line designed to provide life insurance, annuities, disability income and long-term care policies to meet the needs of Catholic families.

For 38 consecutive years, the Knights of Columbus has earned an A++ (Superior) rating from A.M. Best Company for its financial stability, and there is no more highly rated life insurer in North America. The organization is also at an all-time high in its number of agents, with more than 1,500 in service within the United States and Canada.
